By signing this Application, the Applicant for insurance hereby represents and warrants that the information provided in the Application, together with all supplemental information and documents provided in conjunction with the Application, is true, correct, inclusive of all relevant and material information necessary for the Insurer to accurately and completely assess the Application, and is not misleading in any way. The Applicant further represents that the Applicant understands and agrees as follows: (i) the Insurer can and will rely upon the Application and supplemental information provided by the Applicant, and any other relevant information, to assess the Applicant's request for insurance coverage and to quote and potentially bind, price, and provide coverage; (ii) the Application and all supplemental information and documents provided in conjunction with the Application are warranties that will become a part of any coverage contract that may be issued; (iii) the submission of an Application or the payment of any premium does not obligate the Insurer to quote, bind, or provide insurance coverage; and (iv) in the event the Applicant has or does provide any false, misleading, or incomplete information in conjunction with the Application, any coverage provided will be deemed void from initial issuance.

The Applicant hereby authorizes the Insurer and its agents to gather any additional information the Insurer deems necessary to process the Application for quoting, binding, pricing, and providing insurance coverage including, but not limited to, gathering information from federal, state, and industry regulatory authorities, insurers, creditors, customers, financial institutions, and credit rating agencies.
