WHO NEEDS INDIVIDUAL LIABILITY INSURANCE?

Individuals in the performing and entertainment industry such as Performers, Artists, Body and Face Painters, Entertainers, Dancers and others who perform at fairs, festivals, private parties, cruise lines, corporate events and more.

People like you who are building a client base by working as an independent contractor and need to have an individual liability insurance plan.

WHY DO I NEED THIS COVERAGE AND HOW WILL IT PROTECT ME?

This coverage is valuable because mistakes are made, incidents occur and people sue. It's that simple. XINSURANCE protects you if someone who hired you claimed that you performed negligently or failed to perform as agreed upon.

As a skilled professional, people count on you to deliver a quality product or experience. In some cases, people are worlds apart in expectation and delivery! We live in a very litigious world and XINSURANCE provides a defense if an incident or claim occurs. Contact us today for a FREE quote!
