By signing this Application, the Applicant for insurance hereby represents and warrants that the information provided in the Application, together with all supplemental information and documents provided in conjunction with the Application, is true, correct, inclusive of all relevant and material information necessary for the Insurer to accurately and completely assess the Application, and is not misleading in any way. The Applicant further represents that the Applicant understands and agrees as follows: (i) the Insurer can and will rely upon the Application and supplemental information provided by the Applicant, and any other relevant information, to assess the Applicant’s request for insurance coverage and to quote and potentially bind, price, and provide coverage; (ii) the Application and all supplemental information and documents provided in conjunction with the Application are warranties that will become a part of any coverage contract that may be issued; (iii) the submission of an Application or the payment of any premium does not obligate the Insurer to quote, bind, or provide insurance coverage; and (iv) in the event the Applicant has or does provide any false, misleading, or incomplete information in conjunction with the Application, any coverage provided will be deemed void from initial issuance.

The Applicant hereby authorizes the Insurer and its agents to gather any additional information the Insurer deems necessary to process the Application for quoting, binding, pricing, and providing insurance coverage including, but not limited to, gathering information from federal, state, and industry regulatory authorities, insurers, creditors, customers, financial institutions, and credit rating agencies. 2. The Insured may request the Insurer to reinstate the original Limit of Liability for the remainder of the Policy period for an additional coverage charge, as may be calculated and offered by the Insurer. The Insurer is under no obligation to accept the Insured's request.

3. The Applicant understands and agrees that the Insurer has no obligation to notify the Insured of the possibility that the maximum Limit of Liability may be exhausted by any Accident or combination of Accidents that may occur during the Policy Period. The Insured must determine if additional coverage should be purchased. The Insurer is expressly not obligated to make a determination about additional coverage, nor advise the Insured concerning additional coverage.

4. The Insurer is herein released and relieved from any and all responsibility to notify the Insured of the possible reduction in any applicable Limit of Liability.
